INTRODUCTION

Reserved water right claims, based on federal law, and claimed throughout the Coeur d'Alene-Spokane River basin, have been filed in the Coeur d'Alene-Spokane River Basin Adjudication (CSRBA) with the Idaho Water Adjudications ("IWA") District Court. These amended claims have been submitted by:

United States of America as trustee for the Coeur d'Alene Tribe of the Coeur d'Alene Indian Reservation ("United States"): 83 claims in 5 categories

On April 1, 2024, the IWA Court issued its *Order Granting Motion to Amend Claims*, allowing the United States to amend federal reserved water right claims filed on behalf of the Coeur d'Alene Tribe. A list containing all amended federal reserved claim numbers is attached.

Why am I getting this mailing?

You are receiving this mailing because you filed one or more claims in the CSRBA which may be affected by the amended federal reserved claims which have now been submitted to the IWA Court. IDWR does not investigate or make recommendations for water right claims based upon federal law. This is your opportunity to review the amended federal reserved claims for any possible impact to your water right claims. These amended claims are available at the IWA courthouse in Twin Falls and at the locations listed at the end of this notice.

INSTRUCTIONS FOR TAKING A CLAIM TO COURT

What do I do if I disagree with any federal reserved water right claim?

If you disagree with any element of a claim to an amended federal reserved water right in the CSRBA and want to be heard in court, file an objection with the IWA Court. Objections must be made on the standard objection form ("Standard Form 1") available from any IDWR office or from the IWA Court. You may also download a copy of the objection form from the CSRBA web site at www.csrba.idaho.gov/CSRBA1.HTM.

Your objection to any amended federal reserved water right reported in the CSRBA must be **received** by the IWA Court on or before **June 14, 2024**. A copy of the objection must be mailed to the claimant of the amended federal reserved water right claim and the Director of IDWR.

What may happen if I file an objection to a federal reserved water right claim?

If an objection to an amended federal reserved water right claim is filed, the claimant may, but is not required to, file a response to the objection with the IWA Court. The response must be made on the standard response form (“Standard Form 2”) available from any IDWR office or from the IWA Court. The response form may also be downloaded from the CSRBA web site at www.csrba.idaho.gov/CSRBA1.HTM. The response must be **received** by the IWA Court on or before **July 19, 2024**. A copy of the response must be mailed to the objector to the water right, the claimant of the water right (if different from the objector), and the Director of IDWR.

Can I participate in proceedings on an objection filed by someone else to a federal reserved claim?

If you wish to participate in proceedings on an objection filed by someone else to an amended federal reserved claim, then you may file a response to that objection. As noted above, responses must be made on the standard response form (“Standard Form 2”) available from any IDWR office or from the IWA Court. The response form may also be downloaded from the CSRBA web site at www.csrba.idaho.gov/CSRBA1.HTM. The response must be received by the IWA Court on or before **July 19, 2024**. A copy of the response must be mailed to the objector to the water right, the claimant of the water right (if different from the objector), and the Director of IDWR.

What do I do if I want to participate in the court case on a claim to a federal reserved right?

If you want to be involved in the court case on a claim to an amended federal reserved right, you must file either an objection or a response by the dates provided in this notice.

What happens if there are no objections to a federal reserved water right claim?

If no objections are filed, an evidentiary hearing on the uncontested amended federal reserved water rights in the CSRBA will be held. A partial decree will be issued following this hearing.

How will I know about the proceedings on a claim to the federal reserved water right to which objections were filed?

A notice will be mailed to you for court dates on the amended federal reserved claim if you filed an objection or a response. You will not receive notice of court dates on any other claims to federal reserved rights for which you did not file an objection or response. Additional information regarding federal reserved water right claims can be found on the CSRBA web site at www.csrba.idaho.gov/CSRBA1.HTM.

Note: The IWA Court publishes a monthly Docket Sheet listing all objections and responses filed. It does not list court dates for individual water right cases, but provides general information helpful to all participants in the CSRBA.

The Docket Sheet is available at your county courthouse and all IDWR offices, or you may subscribe by contacting the IWA Court or IDWR. The annual subscription fee is \$7.50. The Docket Sheet is also available on the CSRBA web site at www.csrba.idaho.gov/CSRBA1.HTM.

The register of actions for each federal reserved claim can be found on the CSRBA web site at www.csrba.idaho.gov/CSRBA1.HTM. The register of actions includes links for viewing and/or downloading the documents identified in the register of actions.

If you have questions about the CSRBA, public information brochures are available at any IDWR office. Maps and aerial photography of the Coeur d'Alene-Spokane River Basin, as well as assistance in using the maps and the photography, are available at the IDWR Northern Regional office. You are also welcome to call IDWR at any of its offices or its adjudication hotline at 1-800-451-4129. You may contact the IWA Court, or you may also want to consider contacting an attorney to assist you.
