The District Court of the Fifth Judicial District in and for the County of Twin Falls, having entered its Commencement Order on November 19, 1987, commencing the Snake River Basin Adjudication ("SRBA"); the United States of America, the State of Idaho and the other objectors to these consolidated subcases, through their respective counsel, having presented a Stipulation and Joint Motion for Order Approving Stipulation and Entry of Partial Decrees, with the effective date of September 1, 2003 ("Stipulation"); due notice of the requested approval of the Stipulation and the proposed entry of the Partial Decrees having been given pursuant to the Idaho Rules of Civil Procedure and the SRBA Court Administrative Order 1; a timely objection having been filed by Thompson Creek Mining Company ("Thompson Creek"); Thompson Creek's objection having been resolved by agreement as to the form of this Order; the Court having reviewed the Stipulation, the proposed Partial Decrees and supporting affidavits and

AMENDED ORDER APPROVING STIPULATION AND ENTRY OF PARTIAL DECREES

having heard the parties concerning these matters;

THE SRBA DISTRICT COURT NOW FINDS AS FOLLOWS:

The parties have satisfied the requirements of Chapter 14, Title 42, Idaho Code, including Section 42-1411A, the Idaho Rules of Civil Procedure and SRBA Administrative Order 1. The Stipulation is a fair and equitable settlement of all the United States' claims in the SRBA for federally designated Wild and Scenic Rivers. The Stipulation does not adversely affect the interests of persons not party to the Stipulation and good cause has been shown for granting the Joint Motion for Order Approving Stipulation and Entry of Partial Decrees.

IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

1. The Partial Decrees for the United States' Wild and Scenic Rivers Act federal reserved water rights claims numbered 75-13316, 77-11941, 77-13844, 78-11961, 81-10472, 81-10513 and 81-10625, as attached to the Stipulation (the "Partial Decrees"), are hereby ratified, confirmed and approved. The Court shall retain jurisdiction for the purpose of resolving disputes regarding the interpretation and implementation of the Partial Decrees.

2. The Stipulation is hereby approved, provided, that the provisions of paragraph 2 of the Stipulation ("paragraph 2") that address administration of water rights are covenants among the signatory parties only and shall not be binding on this Court or non-signatory parties with regard to administration of water rights by IDWR. The Court retains jurisdiction for the purpose of resolving disputes among the signatory parties regarding the implementation and enforcement of the Stipulation. The provisions of paragraph 2 shall not affect the rights of Thompson Creek or any other non-signatory party to participate in and object to any motion for interim administration, proceeding for creation of a water district, or other administrative action

or other judicial proceeding affecting their water rights or their use, diversion, or measurement of water; nor shall the provisions of paragraph 2 affect the disposition or review of such proceedings.

3. Nothing in this Order, the Partial Decrees, or the Stipulation shall affect Thompson Creek's decreed water rights or the stipulated subordination of the United States' Partial Decree for the Main Salmon River to Thompson Creek's decreed water rights that was approved by this Court, nor shall this Order, the Partial Decrees, or the Stipulation be construed as limiting IDWR's authority to administer water rights as provided by State law.

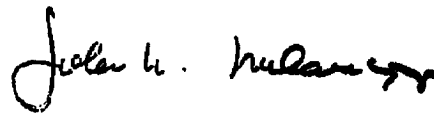

4. Pursuant to Idaho Rule of Evidence 408, nothing in the Stipulation, including the stipulated entry of Partial Decrees for these claims and any affidavits or other evidence or pleading submitted or relied upon for approval of the Stipulation, or any offers or compromises made in the course of negotiating the Stipulation, shall be construed as admissions against interest or tendered or used as evidence to support or oppose any party's claims or objections in the SRBA or in any other adjudication involving claims for the same or similar purposes, including the quantities of water claimed, or in any other manner by any party in the SRBA in any future proceedings in the SRBA, in any appellate proceedings concerning the SRBA, or in any other proceeding, other than those for interpretation, enforcement or administration of the Stipulation or the Partial Decrees or for a purpose contemplated by Rule 408. This Order is fully in accordance with Idaho Rule of Evidence 408, as well as the policy underlying that rule and the policy of the SRBA Court directed at furthering the strong public policy favoring out-of-court settlement of disputes over litigation.

5. The water rights adjudicated by the Partial Decrees are in full satisfaction of all the United States' claims in the SRBA for federally designated Wild and Scenic Rivers.

6. This *Amended Order* supercedes the *Order Approving Stipulation and Entry of Partial Decrees* dated November 16, 2004, which was issued in error.

IT IS SO ORDERED.

DATED November 17, 2004.
